# Homeless Veterans Reintegration Program (HVRP)

The Homeless Veterans Reintegration Program (HVRP) is an employment focused program of the Department of Labor, Veterans' Employment and Training Service (DOL-VETS). HVRP provides services to assist in reintegrating homeless veterans into meaningful employment within the labor force, and to stimulate the development of effective service delivery systems that will address the complex problems facing homeless veterans.

HVRP provides immediate transitional housing and through referrals to VOALA SSVF and Pathways to Home. Program staff ensure that participants receive essential supportive services such as clothing, shelter, referral to medical or substance use disorder treatments, and transportation assistance — either within VOALA or at another agency in the community.
